## Operation Deep Manifest: Cracking Down on Illicit Pakistani Imports

---

### Context:

India has adopted a **zero-tolerance approach** towards economic relations with Pakistan, especially in the backdrop of terrorism-related incidents. After the **Pahalgam terror attacks**, India imposed a complete ban on imports of **Pakistani-origin goods**. To enforce this ban and safeguard national and economic security, the **Directorate of Revenue Intelligence (DRI)** launched '**Operation Deep Manifest**' to crack down on goods being routed through third countries like the UAE.
